what he did. He was just getting into his buggs to drive home when the press representative reached him, and had not time for any further statement, if, indeed, he cared to make any other.

The Resolution.

Here is the text of the resolution passed by the Board of Aldermen, and which must go to the Common Council for concurrance:

"Be it resolved by the Council of the city of Richmond, the Council of the consist of two members from the Board of Aldermen and three from the Common Council, to be appointed by the presidents of the respective branches, be, and they are hereby, appointed for the purpose of considering the present methods of distributing funds appropriated by the city for street improvements, also to inquire into the methods employed in the City Engineer's department in the discharge of his duties, and to inquire and secertain what methods, if any, could be adopted for the better and more efficient management of the said department and the distribution of said funds, which findings the said committee shall report to either branch of the City Council of the committee having charge or the duties and the premises."

Meet in Roanoke.
